Boricua Morena!

1) Miss Universe 2006!

Zuleyka's victory is one dear accomplishment for her, for my tiny island, and for all Latinos. Zuleyka is the result of people acting on love. Zuleyka is the poster face for the Latino image, she represents our heritage, and our diversity. Wow! From the start Zuleyka blasted everyone away. Zuleyka is a country girl from our mountains down to our southern coast. I can go on and on about this and I'm just speechless about her. Another JLO is one the way. Godbless Zuleyka, her parents, and grandparents. Also, Zuleyka as a sample of the entire spectrum of Latin Beauties [check out this gallery](#). When people of different races come together the results can be astonishing. Diversity is hot. Segregation is boring. Spice yourself. Bring color into your life. Visit my island. Embrace our language. Salsa dancing is the key. You will never regret it. Music is an important ingredient of our diversity, listen to this [Music Mix](#)

2) CARIBBEAN BREEZE

Come to Caribbean Breeze to get your salsa fix with DJ Andy tonight. Earl Rush and Maribel Soto have made sure salseros have a spot where they know they will hear and dance to the absolute best salsa dura. Andy comes from NYC especially to be there. Stop by to say hi, work-off the stress, and take a pictures.

3) FIESTAS PATRIAS PERUANAS. 28 DE JULIO

A shout-out to all Peruvians in the Washington, DC area! Vaya Roxana Ayona, Cato Zegarra, and the others. Today they not only celebrate their Independence, they also inaugurate a new president. And this guy must know about women power because he has appointed six ladies to important ministries already. Regardless of political controversies and preferences, all Peruanos want to see their country excel. That is a fact. Peruanos are proud people; they sure love their country and will let you know it. In Washington, DC Peruvian Rotisserie Chicken is one of our delights, much better and healthier than all that battered fried chicken. Ask them about their precious golden potato dish (papa amarilla) and their eyes just light up. They will be quick to tell you that there are 2,500 types of potatoes in Peru. Ask them about their cuisine, their folklore, their Amazon jungle, Andes Mountains, and their beautiful Pacific coastline and their eyes will water up. If you see or talk to a Peruano today, tell them: Feliz 28! And watch out for the reaction.

4) PUERTO RICO SALSA CONGRESS

The Puerto Rico Salsa Congress ends today with the salsa open finals and a concert by Willie Rosario (who is promoting his latest CD). May be the team win. A shout out to the DC salseros who have traveled to my islita del encanto. I hope you had a wonderful time.

I updated the video clips page gallery [Click here](#). New video clips include Hector Tricoche, Herman Oliveras, Charansalsa, Orquesta Broadway, Andy and Gildred dancing a just a little bit, pictures of our security-they keep us safe where ever we go, and a dancer doing some fancy bee bob shines and breaking On2 to the music of charanga. Nice videos. However, because of low lighting I had to edit the clips
